CRIM. NO.3:05CR320 (JCH)

FINDING AND RECOMMENDATION ON A PLEA OF GUILTY

Following referral of the captioned matter to me by Judge Janet C. Hall, with the written consent of the defendant, counsel for the defendant and counsel for the United States, and following a hearing held in open court and on the record, based upon the answers given by the defendant under oath, on the record, and in the presence of counsel; and the remarks of defense counsel and the Assistant United States Attorney, I

(1) FIND that the defendant is competent to plead, that defendant understands the charges against her, that she knows her rights to trial and appeal, that she knows what the maximum possible sentence and term of supervised release are, and that the sentencing guidelines may apply; that there is a factual basis for the defendant's plea, and that this defendant's waiver of indictment, waiver of rights and plea of guilty have been knowingly and voluntarily made and not coerced; and

to the lesser included offense

(2) RECOMMEND to Judge Hall that the defendant's plea of guilty be accepted.

It is so ordered.
