(If short insert here; if lengthy write on separate sheet and attach.)

The defendant has maintained compliance with the conditions of his bond and has been subject to electronic monitoring for approximately 3 1/2 months. He is gainfully employed and has a supportive, stable family life. The Probation Office believes that electronic monitoring no longer seems to be the least restrictive bond condition necessary in this case.

PRAYING THAT THE COURT WILL ORDER this defendant's bond be modified to remove the electronic monitoring and curfew conditions. The U.S. Attorney's Office was contacted regarding their position on this proposed modification, but to date, no response has been received.
