IN RE: ABILIFY (ARIPRAZOLE)
PRODUCTS LIABILITY LITIGATION

Stiggle v. Bristol-Myers Squibb Co.,)
D. Connecticut, C.A. No. 3:17-01387) MDL No. 2734

ORDER REINSTATING STAY OF CONDITIONAL TRANSFER ORDER

On August 16, 2017, the Panel filed in this docket a conditional transfer order pertaining to this action (*Stiggle*). In the absence of any known opposition to the proposed transfer, the stay of transmittal with regard to *Stiggle* was lifted on August 24, 2017, and the action was transferred to the Northern District of Florida. Subsequently, on August 29, 2017, the Panel received a notice of opposition from the pro se plaintiff in *Stiggle*. Plaintiff states that he is incarcerated in Connecticut, that transfer of this matter will hinder his access to the court in Connecticut and will cause him hardship. He further requests that the Panel vacate the conditional transfer order and remand his case back to the District of Connecticut.

The Panel notes that all pro se plaintiffs filing with the Panel are served by U.S. Mail. This can result in certain delays. The Panel is persuaded that these circumstances justify reinstatement of the conditional transfer order in *Stiggle* in order to permit plaintiff to pursue his opposition to transfer.

IT IS THEREFORE ORDERED that the stay of the Panel's conditional transfer order designated as "CTO-12" filed on August 16, 2017, is REINSTATED.

IT IS FURTHER ORDERED that plaintiff's notice of opposition is deemed filed as of the date of this order.

IT IS FURTHER ORDERED that plaintiff's notice of opposition is also construed as the motion and brief required under Rule 7.1(f). Plaintiff may, on or before September 12, 2017, file additional argument in support of his opposition to transfer, or he may rest on the arguments already presented.

FOR THE PANEL:

Jeffery N. Lüthi
Clerk of the Panel
