Hi Jeremy,

I am waiting to speak directly with Attorney Bussert, but if Ms. Foley intends to oppose a continuance, then the Government will not object to jury selection on Tuesday. In order to get our out of state witnesses to Connecticut, however, we will ask for a delay to start evidence to the beginning of February. I will file a request for a trial schedule once I hear from Attorney Bussert.

Although I need to confirm with Ms Foley, believe from conversation yesterday that she seeks to proceed next Tuesday and will oppose any continuance. Also anticipate we will be filing a brief motion to dismiss based on a Speedy Trial violation.

Hi Jeremy,

The short answer is that a continuance will be requested. We are still working out whether the request to continue will be a motion by the Government or a joint motion.

Todd was out of the country when the Court's ruling was published. He should be back in Connecticut later this afternoon. He needed to meet with Ms. Foley before deciding whether to join in the motion to continue. He stated he would get back to me this afternoon or tomorrow morning.

Thank you,

Nancy

Good morning,

Do the parties intend to proceed with jury selection next week or will a continuance be requested?

Sincerely,
