01/08/2001	9	RULING denying [1-1] petition without prejudice. Petitioner may refile a federal habeas action after all his claims have been presented to Connecticut Supreme Court. Clerk is directed to enter judgment and close this case. This court concludes that a plain procedural bar is present here; no reasonable jurist could conclude that the petitioner has exhausted his state court remedies with regard to all ground for relief or that petitioner should be permitted to proceed further. Accordingly, a certificate of appealability will not issue. (signed by Judge Stefan R. Underhill) 9 Page(s) (Larsen, M.) (Entered: 01/12/2001)
