CAUTION - EXTERNAL:

Correction - meeting.. We are so disgusted by your Political Malfeasance we cannot type. Democrats in Connecticut are the most corrupt Legislators in the Nation. There are plenty of Republicans' on the U.S. Judiciary Committee who will review our records, and other Committees.

Dear Judy Fazekas,

I received an email indicating Connecticut District Court mailed me a notice regarding the April 28, 2021 Conference. Where is your proof? I never received anything in the mail. From day one in the Gonzalez v AFSCME 3:20 00505 (VAB) and Gonzalez v the Department of Correction 3:20 00736 CT District Court has treated Ms. Gonzalez with Deliberate Indifference, due to affiliations between CT District Court employees and the Defendants.

This is the worst act of misogyny by Victor A. Bolden yet. You intentionally Blocked the PACER Account to prevent Ms. Gonzalez from a Fair and Just Court proceedings. The fact she is Pro Se leads you to believe you can sweep Public Corruption under the Rug, but it is not happening. These cases are Political Lawsuits, and they will be investigated.

You deliberately kept. Ms. Gonzalez out of the April 28, 2021 meeting and have tampered with Federal court records which is a Federal crime. In addition, the Judge is in violation of the Code of Canon. Judicial employees are supposed to obey the Code of Canon as well, and all you've done is Piss on the Law and the U.S. Constitution.

This case is ongoing no matter where your corruption takes it.
