CAUTION - EXTERNAL:

Jazmin Perez,

We have not received Document # 88 indicating there was a Ruling in this case. We informed you several weeks ago, yet you have refused to send us a copy via CM ECF Filing system. You even admit to not sending us a copy. Why the passive aggressiveness?

In addition, we mailed you a request for a Waiver of Court Fees on May 29, 2021 via USPS regular mail and Certified Mail. According to the United States Postal Service you have refused the Certified Mail Return Receipt for obvious reasons.

Because you knew the contents of the Certified Mail Return Receipt, you refused to sign it. The overt Public Corruption in this case is so transparent because of affiliations it jumps off the page. This case has shifted to removing Judge Victor Allen Bolden of the bench for Abuse of Discretion, due to his political affiliation with Connecticut State Government, specifically Chris Murphy and his buddy Joe Aresimowicz.

Our specific focus now is to get Judge Victor Allen Bolden off the bench because of his ongoing misogynism. It appears there are other women suffering the same Public Corruptio9n Ms. Gonzalez has been subjected to, so we are going directly to the United States Judiciary Committee to fight for justice by removing this incompetent Judge.

This case is far from over.

Have a nice day!

Pat
